ILLINOIS COMMERCE COMMISSION

New Millennium Telecommunications, Inc. :
Application for a certificate of local authority to : 99-0135
operate as a reseller or facilities based carrier of :
telecommunicationsservices in the State of :
Illinois :

ORDER

By the Commission:

On March 5, 1999, New Millennium Telecommunications, Inc, ("Applicant"), an Illinois corporation, filed a verified application with the Illinois Commerce Commission ("Commission") requesting a Section 13404 Certificate of Service Authority to operate as non-facilities based reseller of local telecommunications services within the State of Illinois.

Pursuant to notice given in accordance with the law and the rules and regulations of the Commission, this matter came on for hearing before a duly authorized Hearing Examiner of the Commission at its offices in Chicago, Illinois on April 8, 1990. At the hearing, Applicant presented the supporting testimony of its Chief Executive Officer, Sean S. Prater, and its Chief Financial Officer, Willie R. Watkins, Jr. Alclnda Jackson of the Consumer Services Division and Stacy Buecker of the Telecommunications Division appeared on behalf of the Commission Staff. At the conclusion of the hearing, the record was marked "Heard and Taken."

The witnesses testified that Applicant intends to resell local exchange telecommunicationsservices. They presented evidence showing that persons associated with the Applicant have technical and managerial experience in and pertinent to the provision of telecommunications services. The witnesses also described Applicant's procedures for preventing slamming and cramming. Additionally, they sponsored financial statements which show that Applicant has the financial ability to provide the proposed services. Accordingly, Applicant has presented evidence which demonstrates that it has the necessary managerial, technical and financial ability to operate as a reseller of telecommunicationsservices.

When this application was originally filed, Applicant intended to incorporate and do business as "New Millennium Communication, Inc." However, upon discovering that said name was already in use, Applicant altered its plans and incorporated as "New Millennium Telecommunications, Inc." This change was noted and accepted at hearing.

Question 5: Please attach a sheet designating contact persons to work with Staff on the following:

- a) issues related to processing this application
- b) consumer issues
- c) customer complaint resolution
- d) technical and service quality issues
- e) "tariff" and pricing issues
- f) 9-1-1 issues
- g) security/law enforcement

Answer:

All questions of Staff should be directed to:

New Millenium Telecommunications, Inc.
1111 East 87th Street
Suite 500
Chicago, IL 60619
Office: (773) 221-5880
Fax: (773) 221-9486

Question 16: How will the Applicant bill for its services?

Answer:

NMT will charge its customers on a monthly basis. Customers bills **will** show a breakdown of services, features, surcharges, taxes etc. For customers who must pay in advance, **NMT** will require payment in **full**, for example, by the first day of the month.

Question 25. Please describe the nature of service to be provided (e.g., operator services, **internet**, debit cards, long distance service, local service)

Answer:

New Millenium Telecommunications ("**NMT**") intends to provide local exchange and intrastate ("toil calls") telecommunications service within the State of Illinois to extent permitted by law. **NMT's** local service currently involves prepaid local service. NMT wants to provide toll call service for its customers which will billed according to time and distance at reasonable competitive rates. If approved, NMT will provide a customer with a single, voice-grade communications channel, including a telephone number and a directory listing, and will permit customers to: (1) place an unliited number of calls per month within a local calling area; (2) place calls outside a customer's local calling area but within the state of Illinois; (3) access "**911**" service; and (4) access optional service features such as call waiting, call forwarding, three way calling, speed dialing, call return, unpublished number and caller identification. NMT will also provide pre-paid calling cards.
